March Meeting

Speaker – Ken Mettler

Topic: “Demonstration: Repotting, Dividing, and Mounting—Oh My!”

Thursday, March 15th at Franklin Park Conservatory

Beginner’s Corner 7:30pm – Meeting starts at 8pm

For our March meeting, Ken Mettler will provide a demonstration of orchid techniques—repotting, dividing, and mounting. These are important, but sometimes intimidating skills for all orchid growers to learn. But have no fear--Ken will make it simple!

Please note this is NOT our annual repotting workshop. That will be held in June, so there is no need to bring in plants that you are looking to repot for the March meeting. Please DO, however, bring in your blooming plants for our show table! We want to see your blooms and maybe you will go home with a ribbon or even the esteemed Plant of the Month award!

Note: Because Ken will be driving up from Hocking Hills, we will not have a speaker’s dinner. We will have a member’s plant sale (reminder, 20% of all proceeds due to our treasurer).

President’s Message

Happy March! First, a big THANK YOU to Naila Caruso and to Dave and Edna Markley for setting up and tearing down our display at the Miami Valley Orchid Society show in Dayton last month. Naila stepped up big time when we needed last-minute help. And she did an incredible job! (See pic below.). Also thank you to everyone who sent plants to Dayton, and to Dave and Edna for bringing everyone’s plants home safely.

And one more THANK YOU to Ken Mettler for setting up our display in Cincinnati, along with Dave and Edna for bringing the plants back. Remember, supporting other societies’ shows is very important for our society, and we are always looking for members who can transport, set up, or tear down our display. If you have never done it before don’t worry—we have experts who can show you the ropes!
